

EAL Leadership: Prioritising EAL in Primary and Secondary Schools

This newly developed course is for school leaders who are seeking innovative ways to drive evidence-informed, impactful EAL interventions in their schools. This practical course will support leaders in devising school-wide systems, resources and training that will enhance whole school provision and lead to improved educational outcomes for EAL learners.

This course covers:

- EAL policy within the national context, including insights from recent research into the attainment of EAL learners
- Strategies and resources for assessing their school's strengths and areas for development in EAL provision
- Evidence-informed, impactful CPD approaches for teachers around EAL provision
- An introduction to The Bell Foundation's EAL Assessment Framework for Schools (ELTons 2018, Innovation Awards finalist) and how to use it to track and monitor progress and set relevant English language learning targets

This course is suitable for:

- Senior Leadership Team (SLT)
- EAL co-ordinators
- Staff with responsibility for leading on EAL
